They s'ood the live like saintenders it it is generally believed that the whigs in Kentucky want of leth mother and spurrous composition in the way of argument,

after 10. Green had concluded, Mr. Rodman, the true any of the of he sues that have heretofore divided the two great parties, except a few words about the cistration of the public lands. He deaft very largely in group owder and intitivity gives to blame for that, as it was all he had to make a speech about.

The place of Gen. Scott's military career in very hirthat his hope of physical restoration in sorly in "Go probably Mr. Rodman in a aground, and just used i he ause he had nothing better-(another Roorback! Pierce forting and forting off his horse, and In an indi-rect way instructed that he (Pierce) was a coward, as he had fai ed or faltered in three as for sor engagement withy elbellef. It is a general opinion about here that a syman who took the ranks as a private in the Mexican The Scottiles hope to relieve Gen. Scott of war 18 a better and braver man than any mack-hearier

Aller Mr. Rodinan concluded, 14r. Green replied; but him. These men are prominent natives, and it as is a nai in this place, the whigs had set the triggers by they don't support Scott, he cannot be of the true ranking noise and co fusion-crying of property in the trifying, discharging ulcers, to be cared by a glit bottles streets, hallooning "fight," dec. However, perhaps ther of Guysott's Extract of Yellow Dock and Sarsaparilla, This is we ig look, and will prove anything .- are not so much to blame for the like; for, to tell the is almost intraculous. Some of the learning whigs of the United States and place that they could not stand it—and more than

man's cow. He expected to find the uncertain heast on both sides of the creek; but Scott is to Savery, writen February with, 1813, to Mr. Atkinson, the whole affected in the control of panylar, Pa. The (querial ways in that letter, within my less and teet; in 1813 they not so had heat I had not only sear with the letter.

we should not be seen in the sound in cooks, and and Webster ande-being of their own party, arrigno auts or sins in their own opinions, only they adhered boiled and swere over the dist, seasoned with ubvery, as the ; from got; but the son hern whigs they are very anxious for the late Ballin re compromise agreeable and dangerous closures are speeding and per have been throwing in their compromise wait un. between Seward and Gen Scott, where the south let tectly ared by the use of this meache. save the pla torm, with Gen. Scott headed by Mr.

oth a propagation of the phenomena were the spocks of earling ake felt in some places, par-

If these two Scott oreans would only publish Mss, says the Lexing on Scott, el. a soman each other s reasons for supporting Scott and opposing Picroe, their reane's would have some rich posing Picroe, their reane's would have some rich subsequently parted with him, and retainment.

The main lates the sound of the so boasting in lister minutely of all. The Courier is encouraging the faitable with the prospect of carrying Virgania. Would Scott carry Texas, Alabama, Georgia, South Carolina and New Hampshire? The prospects are flattering in Georgia.

which may be considered a kind of labor-saving machine, as with one of these looking-glasses a person need not look out of the window to a person need not look out of the window to a person need not look out of the window to a person need not look out of the window to a person need not look out of the window to a person need not look out of the window to a person need not look out of the window to a person need not look out of the window to south, and they are selling lower than the same of th The democratic barbicus are likely to be ample.—
That is right Recollect the whites after starving up or down on either side, is visible to the per. That is right. Recollect the whigs after starving up nr down on either side, is visible to the person sitting inside the window.

> A gentleman has deposited \$10,000 in Nashville to be staked on the election of Gen-ral Pierce, the only condition being that

The whig papers of Ohio are publishing committed in that city about 3 o'clock on Friextravagant accounts of Scott clubs formed of day morning. Mr. Joseph Stoddard, a policeman the Fail, many of which we will sell at cost.

ROBINSON & WRIGHT, in the Third Ward, was found about daylight lycounties. We can trust these accounts, and it is to can the body mangled in a most terrible to the can trust these accounts, and it is to can trust these accounts.

Tilden turned Traitor. "O, that mine enemy would write a hook." - Job.

chief was more careful of his personal front and to make public a private letter of Senator Wade's, in which was disclosed Scott's determination, se There are great changes in Indiana, in favor of Gen. Scott. In Slieve gammon and Persimmon counties, all the democrats, it is said, will wind the democrats of the said that the democrats of the said that the democrats of the said that the s do it?-Cleveland Pla ndealder.

Houston's speech at the court-house Friday night.

We didn't expect they would be pleased, when the messives with the church, and nearly that themselves with the church, and nearly that the church themselves with the church themselves with the church that the church themselves with the church that the church themselves with the church that the chur number professed conversion. - Carrolton (Ky.)

N. Y., committed suicide at Burlington, Iowa, a few days ago.

From the Cincinnati Enquirer. The Scott and Graham Platfor m.

One of the measures which Gen. Scott has already avowed himself in favor of, is them this wint r.

One of the measures which Gen. Scott has already avowed himself in favor of, is to prohibit all foreigners, coming into the country this year for the Liberia and Cape Palmaz colories.

The Scott and Graham Platfor m.

One of the measures which Gen. Scott has already avowed himself in favor of, is to prohibit all foreigners, coming into the country after a certain time, from enjoying the rights of voters, unless they enlist and serve two years in the army or navy. If there is no war, then they can't enlist, and serve two years in the army or navy. If there is no war, then they can't enlist, and, of course, as long as there is peace, they can't be voters. Those who are not the resume of the segment to arouse the Steam. we, was growned from the steamer Jonish on her they can't be rolers. Those who are not This document, designed to arouse the Freeof the army standard, even when there is Soil sentiment of the North against General war, will not be taken, and, of course, Pierce, and originating with the Abolition paper July 10th, Hon. R. Newton, Ohio. ... they, too, will be proscribed of that great in this city, has been republished in painpinet July 10th, Hon. G. Foyler, Massachus July 10th, Hon. S. W. Parker, Indiana chester, and not Calhoon, as we have had it several times. Those who are sound in mind, the Wing Executive Committee, and the friends learned and enlightened, but who of General Scott, in every S we where slavery may happen to be injured in sight, or does not exist.
